

# The Benefits of a Culligan Soft Water Home

Dissolved minerals in the hard water that enters your house form a scale that makes water heaters and other water-using appliances work harder than necessary. A Culligan Platinum Series™ Water Softener conditions the water as soon as it enters your home and delivers soft Culligan water throughout the entire house. Ask your Culligan Man™ to inspect your appliances for any hard water buildup or damage.

## ***Bathrooms:***

- Save time and money with less cleaning
- Prevent rust stains and dirty fixtures

## ***Cleaner Everything:***

- Brighter, whiter and softer bed linens and clothing

## ***Culligan® Water Softener System***

- Reduce damaging scale buildup in your water heater, humidifier and the plumbing throughout your entire house.

## ***Kitchen:***

- Spot-free dishes, flatware, glassware, and fixtures.

## ***Laundry Room:***

- Whiter, brighter clothes
- Reduce rust stains

# Soft Water Means Better Living.

*Discover all the benefits  
of a cleaner, softer,  
healthier, easier  
way of living with  
The Culligan Platinum  
Series™ Water Softener.*

## **A solution to your hard water blues**

From spending too much on laundry detergents and softening agents to constantly battling dry skin and dull, lifeless hair, you need the ultimate solution to your hard water problems: The Culligan Platinum Series™ Water Softener.

## **Culligan Water makes you feel good**

**Personal Care:** Enjoy silky, shiny hair and cleaner, smoother skin. Baths and showers in soft water are a pleasure—the water actually feels better on your skin, and soap rinses right off, leaving you cleaner.

**Softer Laundry:** No more uncomfortable clothing. Laundry detergent residue rinses clean from your clothes, leaving them soft and supple against your skin. Towels are fluffier and absorb better; sheets and bedding feel soft and smooth.

## **Culligan Water makes life easier**

**Easier Cleaning:** Bathtubs, chrome fixtures, shower stalls and glass doors—everything cleans easier and stays clean longer because soft water doesn't leave that dull soap film.

**Sparkling Dishes:** Washed by hand or in a dishwasher, your glassware comes out spot-free, and your dishes, flatware, pots and pans come out squeaky clean and shiny new.

**Brighter Wash:** Laundry soaps work better in soft water to get clothes their brightest. Whites and colors will be more vibrant and come out cleaner because soft water leaves virtually no soap residue in the fabric.

**Save Money:** The Culligan Platinum Series® Softener saves you money. You'll spend less on soaps, detergents, lotions, electricity, and gas for your water heater and dramatically extend the life of your water using appliances!

**Culligan**®

# Exclusive Culligan Platinum Series™ Design and Technology

The Culligan Platinum Series™ water softener meets our passion for the highest standards of performance and will deliver the finest conditioned water to your entire family.

*The Culligan Platinum Series™ water softener is one of the largest residential control valves in the water treatment industry. The full-flow 1-1/4 inch Power Valve meets plumbing standards and allows you to run numerous water sources simultaneously, minimizing pressure loss and maintaining flow rate.*

**Bypass the System**  
The Cul-Flo-Valv® lets you bypass the system for uses not requiring softened water – such as watering the lawn – without losing pressure.

**Reliable Operation**  
Exclusive, non-corrosive 5-cycle motorized control valve directs water flow during service and regeneration cycles.

**Maximum Efficiency**  
Cullex® resin provides maximum water softening capacity, stability, long life and is back by a limited lifetime warranty.\*

**Efficient Operation**  
High grade quartz underbedding evenly distributes water to maximize flow rates.

**Save Salt and Water**  
The Culligan Soft-Minder® meter option monitors daily water use and activates regeneration only when needed, saving you salt and water.

**Fingertip Programming**  
The low voltage, fully programmable Accusoft® Microprocessor offers easy data entry performance options that can be set at the touch of a button, to meet individual needs. All programming is safe from most power interruptions and surges.

**Soft Water for Everyone**  
Guest-Cycle™ recharge feature provides an extra supply of conditioned water when there are more people than normal in the home at the touch of a button.

**Longer Life**  
A Dubl-Safe™ brine refill control provides assured shut-off and corrosion-proof components for longer life.

**System Protection**  
A non-corrosive brine plate assists in dissolving salt and protects the system from salt impurities.

## Culligan Exclusive Quadra-Hull™ Tank With Limited Lifetime Warranty

Designed to provide the highest protection in the industry, our exclusive Quadra-Hull™ tank has four layers of construction.

Layer 1- The media tank liner is designed to provide high-impact resistance and meets strict industry requirements for health and structural integrity.

Layer 2- A composite shell using more composite material than any other standard tank on the market today.

Layer 3- A revolutionary, lightweight carbon material exceeds the strength of existing metal materials.

Layer 4- Impervious to rust, won't corrode, UV resistant and keeps the tank from "sweating".

\*The Quadra-Hull tank and Cullex Resin are backed by the Culligan Limited Lifetime Warranty. The terms of product warranties vary and may be modified from time to time. Culligan will provide a copy of same upon request.

\*\*When compared to Culligan Medallist Series 8" softener with Soft-Minder meter.

## The Ultimate In Water, and Salt Savings

**Saves over 2 1/2 tons of salt and over 20,000 gallons of water within a 10-year period!™**

The patented Culligan Aqua-Sensor® regeneration system option electronically monitors hardness removal to activate regeneration only when necessary, conserving water, salt, electricity, and saving you money.

*Quality products  
and services you  
can count on.*

# Trust The Water Experts®

For over 65 years, Culligan has led the water treatment industry in innovation and service. Culligan products are produced with world-class quality backed by solid warranties\* and serviced by factory trained technicians.

Your local, reliable Culligan dealer will perform a complimentary, no obligation water analysis and help you choose the system that is just right for your home and family. Now that's service!

## Why Millions Trust Culligan to Deliver Better Water

- ✓ All Culligan products are backed with a 100% Satisfaction Guarantee. If you're not completely satisfied within 30 days from the date of purchase, we'll refund your purchase price.
- ✓ Your local Culligan Man® has a full-line of quality water treatment products at affordable prices.
- ✓ We're ISO9001 certified. All assembly takes place under exacting world-class quality control.
- ✓ Culligan products possess the industry's most state-of-the-art features because we maintain our own extensive research and development facility and no other water treatment company holds as many patents.
- ✓ With over 1,100 dealers worldwide and more than 75 countries globally, a *Culligan Man* is just around the corner to make sure you receive the Culligan water you've come to enjoy.
- ✓ Your local *Culligan Man* offers salt delivery, filter changes, financing and more, making Culligan a full-service water treatment company.

## Solutions For Your Home and More

If you have questions or need assistance, your Culligan Man™ is a phone call away and ready to help. Call today and let one of our trained water technicians test your water. Feel good and live better with Culligan.

\*Culligan will provide a copy of warranties upon request.
